

GRZ Technologies Ltd. is an energy technology start-up. Our vision is a world fueled by renewable energy – day and night, summer and winter. Backed by several industrial partners and thus financially secure, we develop hydrogen storage and compression systems. While our products are carefully engineered and optimized, we are missing **YOU** to help us bring our solutions skillfully to market:

Graphic Design Intern (80 – 100%)

As the **Graphic Design Intern** on GRZ Technologies' Marketing Team, you will report directly to our marketing heads, supporting the creation of visual content that aligns with GRZ's brand vision.

Your primary activities:

- Assist in creating visual assets for digital and print media, including social media graphics, newsletters, and product brochures.
- Help develop visual components of the company's brand materials, ensuring consistency and cohesion with GRZ's brand identity.
- Contribute to the design of product datasheets, spec sheets, and other materials, aligning with GRZ's technical and customer-focused brand image.
- Work closely with the marketing and product teams to understand design requirements and incorporate feedback into revisions (experience with 3D rendering is a plus).
- Research and suggest potential improvements to GRZ's existing design assets and visual storytelling approaches.
- Utilize design tools such as Adobe Creative Suite (Illustrator, Photoshop, InDesign), Canva, and other platforms as directed, with opportunities to build technical expertise.

Your profile:

- Currently enrolled in or recent graduate of a Graphic Design, Visual Communications, or related program.
- Proficiency in Adobe Creative Suite (Illustrator, Photoshop, InDesign) and Canva.
- Familiarity with 3D rendering and CAD files would be a significant advantage.
- Experience or coursework in digital and print design
- Adaptable and organized, with the ability to work independently, meet deadlines, and manage multiple design projects simultaneously.
- Fluency in English; knowledge of French and/or German would be an asset.

Interested? Please send your electronic application to gd.intern@grz-technologies-sa.odoo.com. We are looking forward to hearing from you !
